1) Re - joice to - day_ with one_ ac - cord, sing out with ex - ul - ta - tion;
2) When in di - stress_ to Him_ we cried; He heard our sad com - plai - ning;

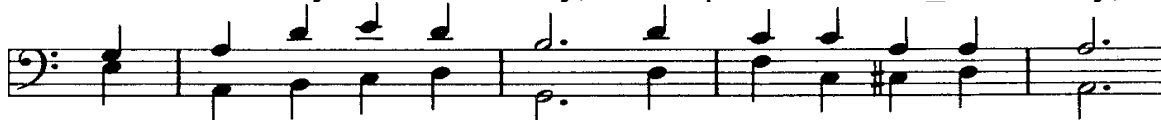

Re - joice and praise_ our migh - ty Lord whose arm hath brought sal - va - tion.
O trust in Him_ what - er_ be - tide, His love is all - sus - tai - ning.

His works of love pro - claim the great - ness of His name;
Tri - um - phant songs of praise to Him our hearts shall raise

For He is God a - lone, who hath His mer - cy shown:
Now e - v'ry voice shall say, "O praise our God_ al - way;"

(v. 1 + 2) Let all His saints a - dore Him!
