Puer Nobis Nascitur 8 8 8 8 LM

Michael Praetorius, 1571 - 1621;

harmonized by G. R. Woodward, 1848 - 1935

1) Thee we adore, eternal Lord!
2) To Thee all angels cry,

We praise Thy name with one accord;
The heav’ns, and all the pow’rs one high;

Thy saints, who here Thy goodness see,

Thee, holy, holy, holy, King,

Through all the world do worship Thee.

Lord God of hosts, they ever sing.

3) The apostles join the glorious throng,
4) From day to day, O Lord, do we
5) Vouch-safe, O Lord, we humbly pray

The prophets swell the immortal song;
Most high, praise and honour Thee;
To keep us safe from sin this day;

The martyrs' noble army raise
Thy name we worship, and adore,
Have mercy, Lord, we trust in Thee;

Eternal anthems to Thy praise.
World without end, for evermore!
Oh, let us ne'er be found.
